Stags' Leap Cabernet Sauvignon Napa Valley

- The Napa Valley Cabernet Sauvignon is deep and dense, showing a heady bouquet of dark plum, blackberry and hints of vanilla and cinnamon spice which continues through on the palate with beautiful dark berry and cassis, giving this Cabernet a classic elegance and feel. Seamlessly integrated oak and refined tannins provide a silky texture while the bright, fresh, dark blackberry fruit flavors and hints of black pepper, cocoa nib and coffee with a slight savory-ness on the finish, balance the wine's impressive concentration.
- 90 POINTS, THE WINE ADVOCATE
- "The serious wines start with the 201x Cabernet Sauvignon, which is 86% Cabernet Sauvignon and a cross-county blend. Deep, dense purple-colored, with notes of creosote, earth, forest floor and plenty of cassis fruit, this wine is rich, medium-bodied, and ideal for drinking over the next 10-15 years." - Robert Parker

Argentina

Vina Alicia Paso de Piedra Cabernet Sauvignon

- Winemaker's Notes
- An intense, dark color. There are raspberry-like aromas and a complexity associated with this noble grape. Fresh, well-balanced, with gobs of dark fruit, great acidity, and mature tannins. This is an unctuous and elegant wine. In the mouth it is profound, round, fleshy, and with soft but potent tannins.
- Critical Acclaim
- **RP90** 
- The Wine Advocate - "The 201x Paso de Piedra Cabernet Sauvignon spent 6 months in French oak. It displays an inviting nose of cedar, spice box, violets, black currant, and blackberry setting the stage for a nicely proportioned, sweetly-fruited, layered Cabernet that also provides outstanding value." 
- **ST90** 
- International Wine Cellar - "Bright red-ruby. Musky aromas of redcurrant, chocolate, herbs and smoky oak. Smooth, sweet and fine-grained, with a distinctly tactile quality to the currant and spice flavors. Finishes with an impression of solid extract and sneaky length, the big, dusty tannins reaching the front teeth. An excellent value."
